# 01 About Us

We believe interior design has the power to positively impact well-being, creativity, and productivity.

Our approach blends functionality, elegance, and sustainability to create meaningful spaces.

From concept to completion, we offer full interior design and fit-out solutions, including material selection, space planning, and project management — delivering seamless execution from start to finish.

# 01 About Us

## In The Media

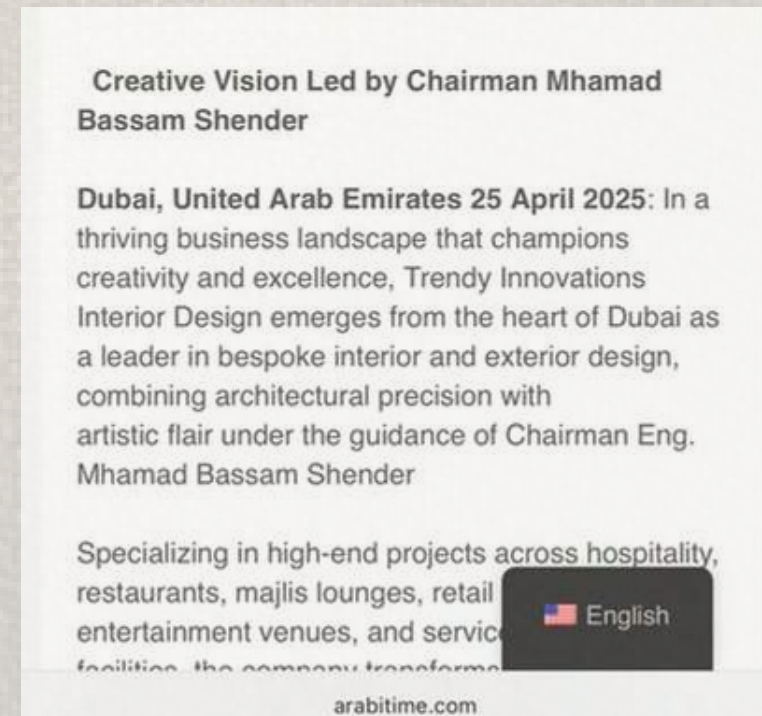

Trendy Innovations has been featured by trusted media outlets and industry platforms, highlighting our approach to design, execution quality, and commitment to delivering exceptional spaces for our clients.

Abu Dhabi Villa 06

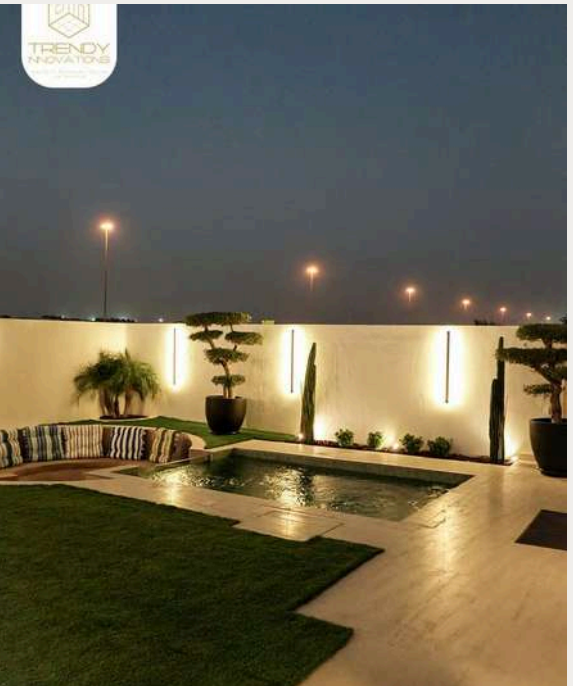

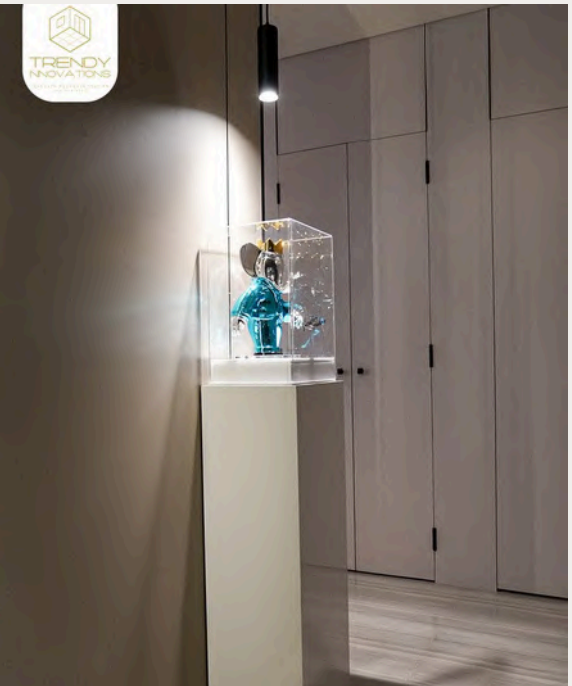

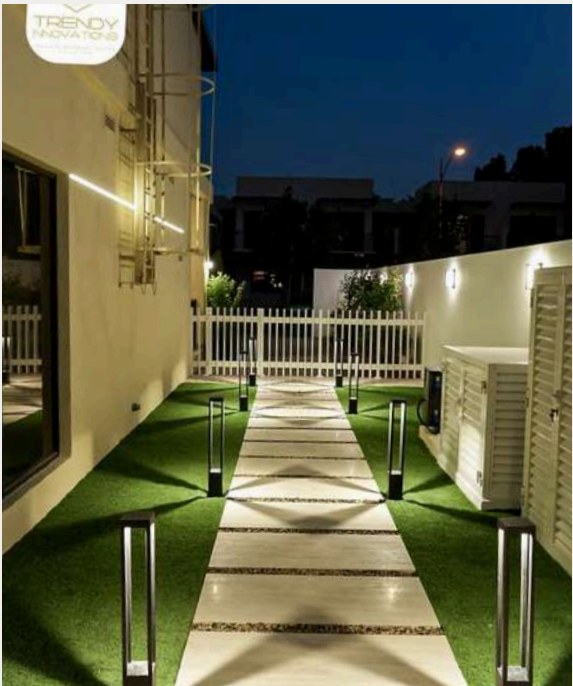

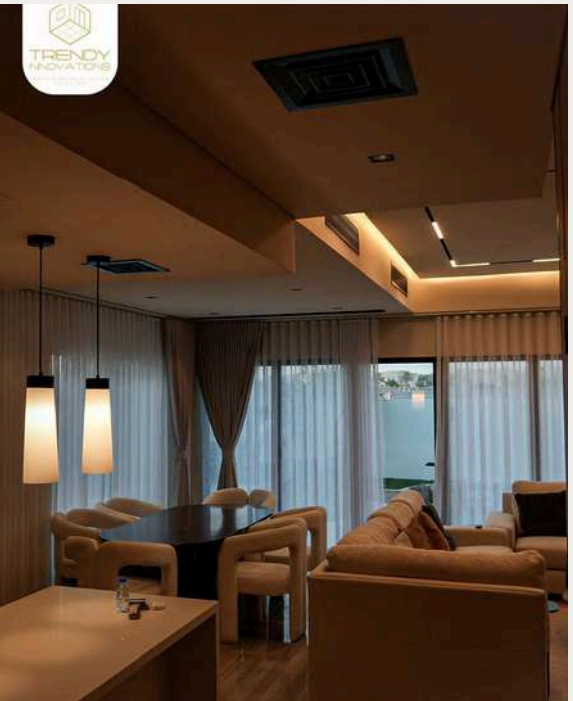

# Modern Villa 06 Al Riyad - Abu Dhabi - (On going project)

This 470 sqm villa features two levels, boasting a double-height living area, two kitchens, five master bedrooms, and a gaming room. Designed and constructed with professionalism, the total cost of the project was approximately 8 million AED.

# Damac Hills - Townhouse SS235

This 330 sqm villa spans two levels and showcases beautifully landscaped areas, a swimming pool, a spacious living area, a kitchen, dressing room and two bedrooms including all furnitures. Crafted with expertise, the total project cost was around 2.4 million AED.

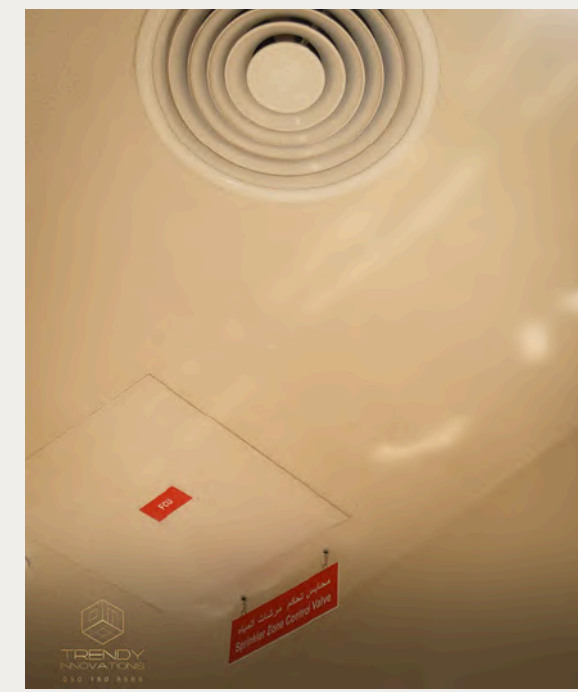

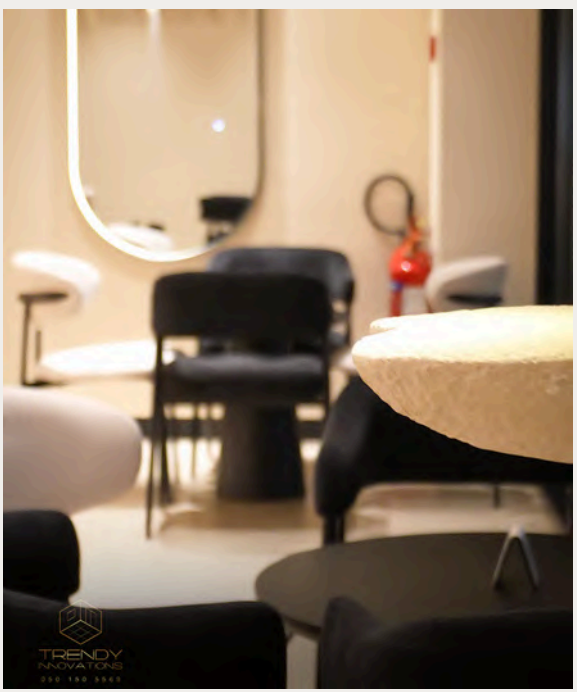

# Damac Hills - Apartment GHB202

This 210 sqm apartment features a stunning terrace area, a generous living space, a well-appointed kitchen, and three bedrooms. Designed with meticulous craftsmanship, including architectural details and furniture finishes, the total cost of the project was approximately 1.7 million AED.

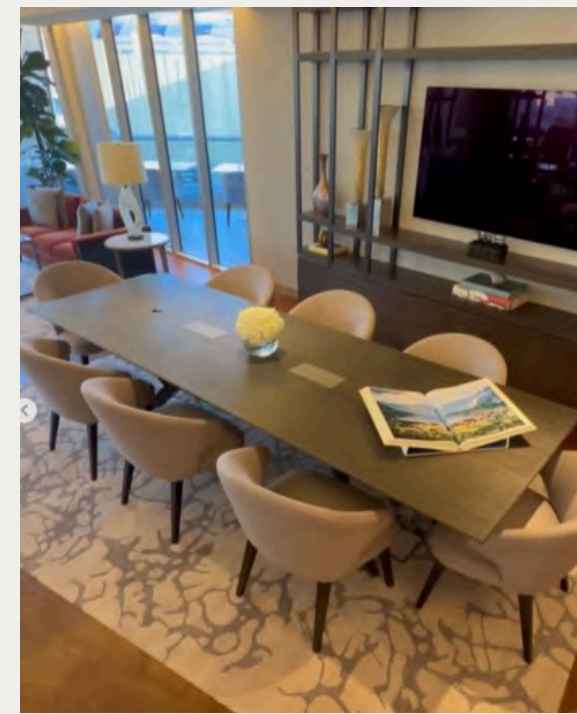

# Dubai Mall - Faubourg Coffee Shop

A renowned coffee shop from Doha has opened five branches in Qatar and is now working with us on all their Dubai projects. The upcoming Dubai Mall location, designed by TI Interiors, was constructed by our team. We are an approved Emaar Dubai Mall Facility Management vendor. This project valued is approximately 2.2 million.

# Address Hotel - Joinery Fabrication

An event took place at the Address Hotel (Bedaa Watches), where our primary responsibilities included the fabrication, mobilization, and demobilization of all interior joinery works. This encompassed items such as furniture, a logo approximately 3 meters in height, and showcases. The total cost of this project was around 200,000 AED.

# Resto Cafe - Adnoc - Abu Dhabi

A compact café kitchen equipped with all necessary kitchen appliances, complete site execution, and MEP works, including all furniture and accessories. The total project cost was economical, falling within the range of 600K AED from start to finish.

# Damac Hills - Apartment SS702

This 210 sqm apartment features a generous living space, a well-appointed kitchen, and three bedrooms. Designed with meticulous craftsmanship, including architectural details and furniture finishes, the total cost of the project was approximately 1.2 million AED.

# 07 Meet Our Team

Relationship Manager  
**Ghada Gad –**

An avid collector of Italian design objects. Ghada is forever curious — she informs her work by observation and research while tapping into the potential of form and function. Her design moves beyond the conventional relationship between fashion, art, and design. With a passionate interest in the old and the modern, the traditional and the contemporary, she finds innovative solutions for any little or large spaces.
